

Training for Volunteers / Coaches

Governing Body approved coaching sessions for volunteers/coaches have been scheduled at the club and ALL participants are expected to qualify to at least "*sport specific introductory coaching*" level.

Appointment of volunteers /coaches will be on the basis of their current or previous experience either playing or coaching *the sport*.

Education and training in the basics of child protection will apply to all coaches/volunteers working with the children or young members. Continuous updating and review of our current Child Protection Policy will be committed to.

Ensuring that all new coaches have attended child protection awareness workshop within six months of taking up their post. This opportunity should also be made available to parents and other volunteers to enable a culture of a child-focused club to prevail.
